This new, up-to-date edition is the essential guide to understanding twenty-first-century Spain: a land of paradox, progress, and social change. ~~~ The New Spaniards is a book which has sat on my to-read shelf for far too long. The second edition of this book got released in 2006, so by the time I pulled it from my shelf, I wondered if its information would be little irrelevant, given the changes to Spain in the past eight years.
