16NY7L - ESTRELLA GIOVANNA

Marcia Willett captured the hearts of Rosamunde Pilcher and Maeve Binchy fans across the nation with her previous heart-warming stories of family devotion and abiding compassion. Now, in her newest novel, *The Way We Were*, Willett introduces a deeply moving and utterly real tale that is sure to win over a whole new set of readers. Tiggy arrives at the remote house on Bodmin Moor in the middle of a snowstorm. All alone, having lost her partner in a tragic accident, Tiggy is welcomed into her best friend Julia's warm and chaotic family. With the Tiggy begins to live again as she eagerly awaits the birth of her son. But nearly thirty years later, when her son is about to become a father himself, the next generation discovers that there are some secrets from the past that still live on...

I was not a young man when I started photographing New York City. I started photographing NYC around 1974. I was 32 years old. I got the idea of making scenes of New York City and selling my pictures in the city streets after the invention of resin coated printing paper. With this paper I could make a print and then simply hang it up on clothes pins to dry and put my print in ready-made mat boards with the inset already cut out. I had a plan. I had a job as a messenger delivering packages all around New York. This gave me the means to go around the city looking for interesting subjects to photograph while I was delivering packages. I figured a time would come, once I had taken a certain amount of photos, when I would feel good about leaving my messenger job.

What if you had a second chance at first love? Susannah and Rob were childhood sweethearts. But as with most early love affairs, they broke up, moved on and now find themselves in very different places. And not entirely happy - who is? A chance meeting between them sends shockwaves through their lives. What happens when your first love makes a surprise reappearance? Is fate telling you it's time for a second chance ... or should you simply walk away and let the past become ancient history? But Susannah and Rob just aren't able to forget the way they were ... and the world is about to discover the consequences of their reunion.

The definitive edition of the classic, myth-shattering history of the American family *Leave It to Beaver* was not a documentary, a man's home has never been his castle, the "male breadwinner marriage" is the least traditional family in history, and rape and sexual assault were far higher in the 1970s than they are today. In *The Way We Never Were*, acclaimed historian Stephanie Coontz examines two centuries of the American family, sweeping away misconceptions about the past that cloud current debates about domestic life. The 1950s do not present a workable model of how to conduct our personal lives today, Coontz argues, and neither does any other era from our cultural past. This revised edition includes a new introduction and epilogue, exploring how the clash between growing gender equality and rising economic inequality is reshaping family life, marriage, and male-female relationships in our modern era. More relevant than ever, *The Way We Never Were* is a potent corrective to dangerous nostalgia for an American tradition that never really existed.

The Way We Were: Poetry and Prose As Time goes By is the per-

petual endeavor to express the spirit of the times, to surpass the body and search the life for a Soul. The body is always flowing away with time - therefore I must recapture and preserve some part of it in meaningful symbols and pictures and words. *The Way We Were: Poetry and Prose As Time Goes By* contains 400 poems and 74 pictures of women and men, animals and cars, vineyards and wineries. SAMPLE POEM I love a bottle of wine A loaf of French Bread, and A basket of delights. I desire an afternoon in a tree house with Hallie, Riding out on a bough, Over the Peace River. Canoes are drifting by beneath us, White puffy clouds in the sky. Paradise out in the wilderness, Paradise even now! Like Willie Nelson, I have offered my musing to all the college girls I have loved before. Without them no poetry of love, remorse, affairs of the heart would be possible. *The Way We Were: Poetry and Prose As Time Goes By* is the story of my life and philosophy from the perspective of my excitable imagination. Order *The Way We Were: Poetry and Prose As Time Goes By* from the publisher for the best price. Order at Authorhouse.com or by phone at (888) 728-8467. It is published and shipped from Bloomington, Indiana. Contact: Frank Sandage (812) 661-6630 824 Washington St. Apt 307 Tell City, Indiana 47586

Born in the Year of the Fire Tiger, Ann Wee moved to Singapore in 1950 to marry into a Singaporean Chinese family. One of Singapore's pioneering social work educators, Ann shares her experiences frankly and with great humour. She remembers the things that history books leave out: questions of hygiene, the emotional nuance in social relations, stories of ghost wives and changeling babies, rural clan settlements and migrant dormitories, what was lost and gained when families moved into HDB estates. Affectionately observed and wittily narrated, with a deep appreciation of how far Singapore has changed, this book brings to life the country's social transformation by talking about the family, "in its 101 different shapes and sizes, with its capacity to cope which ranges from truly marvellous to distinctly tatty: still, in one form or another, the best place for most of us to be".

Looks at two centuries of American family life and shatters myths and misconceptions about the past

Midland, Michigan began life as The Forks, where the Tittabawassee and Chippewa Rivers met. By 1858, The Forks became the Village of Midland, and in 1869 it was incorporated and named the Village of Midland City. Lumbering and farmland attracted the first settlers, and in 1897 a brash young man named Herbert Henry Dow persuaded 57 investors to start a new business there named the Dow Chemical Company. Midland, by then a city, was forever changed. Included in *Midland: The Way We Were* are photographs that span the first 100 years of the city. From Main Street landmarks such as the Frolic Theater, to the churches and schools where Midland's residents worshiped and learned-here are over 200 images detailing Midland's history.

Chaper 1 documents The Centennial Exhibition of 1876 held in Philadelphia (May 10, 1876-Nov. 10, 1876) and includes first-hand accounts and numerous illustrations, photos, and a map. Illustrations include Michael Thonet's bentwood furniture on p. 29. In *The Way We Were*, Maeve Haran shows that we don't have to

always do what's expected of us, no matter what age we are. Love can be full of surprises. Rachel is a promising A-level student - until she falls for sexy, dangerous Marko; Mr Darcy with a nose stud. Her mother, Catherine, is trying to be a good parent and work colleague - but wishes the attentions of her attractive boss didn't suddenly seem so alluring. Grandmother Lavinia is certain of her values, protecting the country village she loves from change - until the return of a long-lost love reminds her that life moves on, for people as well as places. Is it too late for Lavinia to embrace change and find happiness? After all these years - and a lifetime divided by convention - could they really throw other people's expectations to the wind and be the way they were?

Writings by a Western North Carolina family showing their inner feelings and thoughts about life in general.

Monica: I'd always been unlucky with love. No matter how much I've tried to experience it, something always happens to make me turn away. When I was with Donnell Patterson, I believed I finally had a chance at it, but I ended up destroying it by being selfish. Now, I have a second chance with Zack Hall. He's a woman's dream - smart, generous, and sexy as hell. But now that I'm with someone else, why does Donnell keep coming back into my thoughts? Should I let go of the past, and start with someone new, or go back to the person that I've always considered my one true love? Donnell: Monica Taylor and I have had our shares of ups and downs. Honestly, we had more downs than ups. But no matter what we did to each other, we always found our way back to each other; but she did the unthinkable when she tried to hook up with Marcus Walker. Now, I'm with someone new, who makes me really happy. Dominique Sawyer is amazing; not only is she smart and beautiful, but she's also drama-free. But if she's so perfect, why do I keep thinking about the person who has continuously broke my heart?

New York Times Bestseller: A provocative novel about one man's struggle with courage and his conscience at the height of McCarthyism. Clement Archer, head of a popular radio show, faces a profound dilemma: Five of his employees stand accused of being communists, and a magazine threatens disclosure unless Archer fires each and every one. Despite his efforts to meet his own moral standards and avoid self-incrimination, Archer finds himself hounded from both ends of the political spectrum for his seemingly righteous actions. *The Troubled Air*, Irwin Shaw's second novel, was published immediately before the author moved to Europe, where he lived for the next twenty-five years. The story remains a powerful portrayal of a good, decent man ensnared by the hysteria and cruelty of a dark period in American history. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate. We have lost the ability to deal with death. Most of our friends and beloved relations will die in a busy hospital in the care of strangers, doctors, and nurses they have known at best for a couple of weeks. They may not even know they are dying, victims of the kindly lie that there is still hope. They are unlikely to see even their family doctor in their final hours, robbed of their dignity and fed through a tube after a long series of excessive and hopeless medical interventions. This is the starting point of Seamus O'Mahony's *The Way We Die Now*, a thoughtful, moving and unforgettable book on the western way of death. Dying has never been more public, with celebrities writing detailed memoirs of their illness, but in private we have done our best to banish all thought of dying and made a good death increasingly difficult to achieve.

Matching folio contains 10 terrific songs, including: Memory * Ev-

ergreen * *The Way We Were* * *My Heart Belongs To Me*.

The Way We Were is a book about the theological dimensions of the controversy that shook the foundations of the Southern Baptist Convention during the decades of the 80s and 90s. That controversy began at the national level, far from most Baptist laypeople, trickled down to the state Baptist conventions, where it included a much broader audience, and now has moved into local churches. --from forward

An award-winning food writer takes us on a global tour of what the world eats--and shows us how we can change it for the better. Food is one of life's great joys. So why has eating become such a source of anxiety and confusion? Bee Wilson shows that in two generations the world has undergone a massive shift from traditional, limited diets to more globalized ways of eating, from bubble tea to quinoa, from Soylent to meal kits. Paradoxically, our diets are getting healthier and less healthy at the same time. For some, there has never been a happier food era than today: a time of unusual herbs, farmers' markets, and internet recipe swaps. Yet modern food also kills--diabetes and heart disease are on the rise everywhere on earth. This is a book about the good, the terrible, and the avocado toast. A riveting exploration of the hidden forces behind what we eat, *The Way We Eat Now* explains how this food revolution has transformed our bodies, our social lives, and the world we live in.

San Diego, known for its perfect weather, naval ties and landmarks like the San Diego Zoo and Balboa Park, has a history as incredible as its stunning shoreline. In this collection of articles from his San Diego Union-Tribune column "The Way We Were," Richard W. Crawford recounts stories from the city's early history that once splashed across the headlines. Read about Ruth Alexander's aviation feats, the water pipeline carved from Humboldt County redwoods, the jailbreak of a man facing ten years in San Quentin for cow theft, a visit from escape artist Harry Houdini and the Purity League's closure of the Stingaree red-light district. These stories highlight San Diego's progress from a humble frontier port to the stylish city it is today.

Welcome to *The Ludzeczy Sisters*, a brand new contemporary romance series from NEW YORK TIMES bestselling author Kathryn Shay. These six beautiful blond sisters try to make their way in the world after a tragedy strikes their family. Each book has a cameo appearance by one of the sexy heroes from Shay's beloved O'Neil series. Ana Ludzeczy had it all—a sexy husband, a beautiful daughter, her dream house and the best extended family in the world. Then, tragedy strikes them and her life turns upside down. Unable to bear the suffering of her sisters, she makes some bad choices that eventually lead to the dissolution of her marriage. Dr. Jared Creswell, a professor at Mount Mary College, always believed he and Ana would last forever. He's never loved anybody like he loved her. But a year after the tragedy, she's still suffering because of the horrific events her family suffered. Jared weakens and makes the biggest mistake of his life. When their daughter is stricken with a rare kidney disorder, both Ana and Jared must come together to see her through this difficult time. Will his and Ana's past love be rekindled or have they put it out forever? You'll root for these two who've been dealt a bad hand in life and are trying to find their second chance at love. If you like sisters in love stories, New York City romances and family saga romances, try the rest of the books in *The Ludzeczy Sisters*: *BEGIN AGAIN*, *PRIMARY COLORS*, *RISKY BUSINESS*, *HANDLE WITH CARE* and *LOVE STORY*. Praise for Kathryn Shay romance novels: "Shay is one of the most talented authors on the romance scene. Her books are always intelligent, her characters realistic, and her plots believable." *The Romance Reader*

About Peter Henry Burgess Peter Burgess was born in England in

1945. He was educated at schools and university there. He studied English at university and earned an Honours degree in English and Philosophy. He went into teaching in English government schools shortly after graduating from university. He came to Singapore in 1979 to work on a three-year contract for the Ministry of education, teaching in various Junior Colleges. In Junior Colleges he taught General Paper and English Literature to students ranging in age from 17 to 19. He married in Singapore and ended up staying almost forty years, retiring from government service in 2000. Since then he has been in the private education sector. He has a wide experience of teaching English in Singapore. He has also taught in China and Vietnam. He is the author of several books on English grammar, English Literature and Shakespeare. His second language is French. He is married with two grown sons. His hobbies are watching movies, fishing and reading and writing.

THE STORY: A group of American soldiers volunteer for a dangerous mission to a Japanese-occupied island. One soldier develops a complex because he convinces himself that he has failed in his duty to a dying buddy. He imagines that being a Jew and t

The customary picture of the World War II era in California has been dominated by accounts of the Japanese American concentration camps, African Americans, and women on the home front. *The Way We Really Were* substantially enlivens this view, addressing topics that have been neglected or incompletely treated in the past to create a more rounded picture of the wartime situation at home. Exploring the developments brought to fruition by the war and linking them to their roots in earlier decades, contributors address the diversity of the musical scene, which arose from a cross-pollination of styles brought by Okies, blacks, and Mexican migrants. They examine increased political involvement by women, Hollywood's response to the war, and the merging of business and labor interests in the Bay Area Council. They also reveal how wartime dynamics led to substantial environmental damage and lasting economic gains by industry. *The Way We Really Were* examines significant wartime changes in the circumstances of immigrant groups that have been largely overlooked by historians. Among these are Italian Americans, heavily insular and pro-Fascist before the war and very pro-American and assimilationist after, and Chinese American men, who achieved new legitimacy and entitlement through military service. Also included is a look at cultural negotiation among multiple ethnic groups in the Golden State. A valuable addition to the literature on California history, *The War We Really Were* provides an entree into new areas of scholarship and a fresh look at familiar ones.

Ginny and Montana are students caught-up in campus turmoil at the University of California, Berkeley, during the 1960s nation-wide era of dissent. It is a story of social misfits, troubled people scared in a dysfunctional childhood who drift together in the cause of the moment -- and there are plenty of causes for them to find: anti-authority sit-ins anti-Vietnam War marches draft card burnings Vatican Two church revolt civil rights turmoil grapepicker strike underground Weatherman martial law - street barricades Ginny and Montana and their fellow students had all these things on their plate -- on and off campus. Ginny becomes the activist leader of the violent Weatherman organization and goes underground as a fugitive from the FBI. Now, fifty years later, it is difficult to believe but many in our nation were engaged in an almost open revolt. Names of people are fictional, but all the events are exactly as they happened. I know, because I was there.

The stories are original and mostly set in Asia. They often involve a supernatural theme.

Biografie van de Amerikaanse zangeres (1942-).

This monograph presents a collection of images by Los Angeles photographer Julian Wasser. Some are very well known such as an iconic Joan Didion leaning against a Corvette Stingray in Hollywood 1968 and Marcel Duchamp playing chess at his seminal 1963 Pasadena exhibition. But many such as Barbara Hershey and David Carradine in bed in their Laurel Canyon house (1972), or Jack Nicholson and Angelica Huston at Jack's Mulholland Drive house (1974) start to paint a picture of a very private Hollywood of the 60s and 70s when privacy was possible and celebrity culture had not yet consumed society.

Drawing on the story of her own monastic community, a best-selling author shows how to redefine the essentials of faith in a time when old ways and formulas no longer serve.

The Way We Were W H Allen *The Way We Were* A Novel Macmillan Marcia Willett captured the hearts of Rosamunde Pilcher and Maeve Binchy fans across the nation with her previous heart-warming stories of family devotion and abiding compassion. Now, in her newest novel, *The Way We Were*, Willett introduces a deeply moving and utterly real tale that is sure to win over a whole new set of readers. Tiggy arrives at the remote house on Bodmin Moor in the middle of a snowstorm. All alone, having lost her partner in a tragic accident, Tiggy is welcomed into her best friend Julia's warm and chaotic family. With Tiggy begins to live again as she eagerly awaits the birth of her son. But nearly thirty years later, when her son is about to become a father himself, the next generation discovers that there are some secrets from the past that still live on... *The Way We Were* Remembering Diana Harper Collins Paul Burrell served Diana, Princess of Wales, as her faithful butler from 1987 until her death in 1997. He was much more than an employee: he was her right-hand man, confidant, and friend whom Diana herself described as "the only man she ever trusted." Featuring previously unseen interior photographs and remarkably intimate details, *The Way We Were* flings open the doors to Kensington Palace, leading readers deep inside the private world of Princess Diana—room by room, memory by memory. Marking the tenth anniversary of the princess's death, Burrell has penned a faithful and poignant tribute to "the boss"—capturing as never before her vivacity and love of life, her style, her fashion, and her heart. Some images that appeared in the print edition of this book are unavailable in the electronic edition due to rights reasons. *The Way We Were* Penguin UK What if you had a second chance at first love? The Way We Were AuthorHouse The story of Ray Pettit is the story of America. a country of decent and generous people, a country with a heritage and system of government based on liberty and the rights of individuals, a country where opportunity has no bounds. Encouraged by his mill-worker parents, who were lacking in formal education but not in intelligence, character, and love for their children, he used his natural ability in mathematics and high-level academic achievement as a springboard to great accomplishments in engineering, some of which contributed to the development of today's modern cell-phone technology. **Mill-Village Boy** begins with the story of a barefoot boy in overalls, in the small town of Canton, Georgia, during the depression years of the 1930s. Unconditionally loved by his parents, Ray Pettit went from Class Valedictorian to graduation from Georgia Tech with a degree in Electrical Engineering. This was followed by Masters and Doctor of Philosophy degrees, and outstanding achievements in industry and academia. **Mill-Village Boy** has elements of intrigue and danger, love and adventure, comedy and sadness, loyalty and betrayal. . . a fascinating de-

By 1858, The Forks became the Village of Midland, and in 1869 it was incorporated and named the Village of Midland City. Lumbering and farmland attracted the first settlers, and in 1897 a brash young man named Herbert Henry Dow persuaded 57 investors to start a new business there named the Dow Chemical Company. Midland, by then a city, was forever changed. Included in Midland: The Way We Were are photographs that span the first 100 years of the city. From Main Street landmarks such as the Frolic Theater, to the churches and schools where Midland's residents worshiped and learned—here are over 200 images detailing Midland's history.Gardening, the Way We Were Before 18301960S Decade of Dissent: the Way We WereAuthor HouseGinny and Montana are students caught-up in campus turmoil at the University of California, Berkeley, during the 1960s nation-wide era of dissent. It is a story of social misfits, troubled people scared in a dysfunctional childhood who drift together in the cause of the moment -- and there are plenty of causes for them to find: anti-authority sit-ins anti-Vietnam War marches draft card burnings Vatican Two church revolt civil rights turmoil grapepicker strike underground Weatherman martial law - street barricades Ginny and Montana and their fellow students had all these things on their plate -- on and off campus. Ginny becomes the activist leader of the violent Weatherman organization and goes underground as a fugitive from the FBI. Now, fifty years later, it is difficult to believe but many in our nation were engaged in an almost open revolt. Names of people are fictional, but all the events are exactly as they happened. I know, because I was there.The Way We Were in San DiegoArcadia PublishingSan Diego, known for its perfect weather, naval ties and landmarks like the San Diego Zoo and Balboa Park, has a history as incredible as its stunning shoreline. In this collection of articles from his San Diego Union-Tribune column "The Way We Were," Richard W. Crawford recounts stories from the city's early history that once splashed across the headlines. Read about Ruth Alexander's aviation feats, the water pipeline carved from Humboldt County redwoods, the jailbreak of a man facing ten years in San Quentin for cow theft, a visit from escape artist Harry Houdini and the Purity League's closure of the Stingaree red-light district. These stories highlight San Diego's progress from a humble frontier port to the stylish city it is today.My Family-Poems & Poetry from the Heart-The Way We WereLulu.comWritings by a Western North Carolina family showing their inner feelings and thoughts about life in general.The Way We Die NowThe View from Medicine's Front LineMacmillanWe have lost the ability to deal with death. Most of our friends and beloved relations will die in a busy hospital in the care of strangers, doctors, and nurses they have known at best for a couple of weeks. They may not even know they are dying, victims of the kindly lie that there is still hope. They are unlikely to see even

their family doctor in their final hours, robbed of their dignity and fed through a tube after a long series of excessive and hopeless medical interventions. This is the starting point of Seamus O'Mahony's *The Way We Die Now*, a thoughtful, moving and unforgettable book on the western way of death. Dying has never been more public, with celebrities writing detailed memoirs of their illness, but in private we have done our best to banish all thought of dying and made a good death increasingly difficult to achieve. *The Way We Were Poetry and Prose As Time Goes By: The 60's, 70's, 80's and 90's* Author House *The Way We Were: Poetry and Prose As Time goes By* is the perpetual endeavor to express the spirit of the times, to surpass the body and search the life for a Soul. The body is always flowing away with time – therefore I must recapture and preserve some part of it in meaningful symbols and pictures and words. *The Way We Were: Poetry and Prose As Time Goes By* contains 400 poems and 74 pictures of women and men, animals and cars, vineyards and wineries. SAMPLE POEM I love a bottle of wine A loaf of French Bread, and A basket of delights. I desire an afternoon in a tree house with Hallie, Riding out on a bough, Over the Peace River. Canoes are drifting by beneath us, White puffy clouds in the sky. Paradise out in the wilderness, Paradise even now! Like Willie Nelson, I have offered my musing to all the college girls I have loved before. Without them no poetry of love, remorse, affairs of the heart would be possible. *The Way We Were: Poetry and Prose As Time Goes By* is the story of my life and philosophy from the perspective of my excitable imagination. Order *The Way We Were: Poetry and Prose As Time Goes By* from the publisher for the best price. Order at Authorhouse.com or by phone at (888) 728-8467. It is published and shipped from Bloomington, Indiana. Contact: Frank Sandage (812) 661-6630 824 Washington St. Apt 307 Tell City, Indiana 47586 Julian Wasser Damiani Editore This monograph presents a collection of images by Los Angeles photographer Julian Wasser. Some are very well known such as an iconic Joan Didion leaning against a Corvette Stingray in Hollywood 1968 and Marcel Duchamp playing chess at his seminal 1963 Pasadena exhibition. But many such as Barbara Hershey and David Carrodine in bed in their Laurel Canyon house (1972), or Jack Nicholson and Angelica Huston at Jack's Mulholland Drive house (1974) start to paint a picture of a very private Hollywood of the 60s and 70s when privacy was possible and celebrity culture had not yet consumed society. *The Way We Were* Comprising both true stories and some short fiction, this book tells tales of growing up in Cork, Ireland, looking back with fondness on childhood. *The Way We Were* Screenplay *The Way We Were--The Way We Can be : a Vision for the Middle School Through Integrated Thematic Instruction* Discovery Press *The Way We Eat Now* How the Food Revolution Has Transformed Our Lives, Our Bodies, and Our World Basic Books An award-winning food writer takes us on a global tour of what the world eats--and shows us how we can change it for the better Food is one of life's great joys. So why has eating become such a source of anxiety and confusion? Bee Wilson shows that in two generations the world has undergone a massive shift from traditional, limited diets to more globalized ways of eating, from bubble tea to quinoa, from Soylent to meal kits. Paradoxically, our diets are getting healthier and less healthy at the same time. For some, there has never been a happier food era than today: a time of unusual herbs, farmers' markets, and internet recipe swaps. Yet modern food also kills--diabetes and heart disease are on the rise everywhere on earth. This is a book about the good, the terrible, and the avocado toast. A riveting exploration of the hidden forces behind what we eat, *The Way We Eat Now* explains how this food revolution has transformed our bodies, our social lives, and the world we live in. Amerikaanse zangeres (1942-). America in 1876 *The Way We Were* Random House (NY) Chapter 1 documents The Centennial Exhibition of 1876 held in Philadelphia (May 10, 1876-Nov. 10, 1876) and includes first-hand accounts and numerous illustrations, photos, and a map. Illustrations include Michael Thonet's bentwood furniture on p. 29. State of Emergency *The Way We Were : Britain, 1970-1974* In the early 1970s, Britain seemed to be tottering on the brink of the abyss. Under Edward Heath, the optimism of the Sixties had become a distant memory. Now the headlines were dominated by strikes and blackouts, unemployment and inflation. As the world looked on in horrified fascination, Britain seemed to be tearing itself apart. And yet, amid the gloom, glittered a creativity and cultural dynamism that would influence our lives long after the nightmarish Seventies had been forgotten. In this brilliant new history, Dominic Sandbrook recreates the gaudy, schizophrenic atmosphere of the early Seventies- the world of Enoch Powell and Tony Benn, David Bowie and Brian Clough, Germaine Greer and Mary Whitehouse. An age when the unions were on the march and the socialist revolution seemed at hand, but also when feminism, permissiveness, pornography and environmentalism were transforming the lives of millions. It was an age of miners' strikes, tower blocks and IRA atrocities, but it also gave us celebrity footballers and high-street curry houses, organic foods and package holidays, gay rights and glam rock. For those who remember the days when you could buy a new colour television but power cuts stopped you from watching it, this book could hardly be more vivid. It is the perfect guide to a luridly colourful Seventies landscape that shaped our present from the financial boardroom to the suburban bedroom.

The story of Ray Pettit is the story of America. a country of decent and generous people, a country with a heritage and system of government based on liberty and the rights of individuals, a country where opportunity has no bounds. Encouraged by his mill-worker parents, who were lacking in formal education but not in intelligence, character, and love for their children, he used his natural ability in mathematics and high-level academic achievement as a springboard to great accomplishments in engineering, some of which contributed to the development of today's modern cell-phone technology. *Mill-Village Boy* begins with the story of a bare-foot boy in overalls, in the small town of Canton, Georgia, during the depression years of the 1930s. Unconditionally loved by his parents, Ray Pettit went from Class Valedictorian to graduation from Georgia Tech with a degree in Electrical Engineering. This was followed by Masters and Doctor of Philosophy degrees, and outstanding achievements in industry and academia. *Mill-Village Boy* has elements of intrigue and danger, love and adventure, comedy and sadness, loyalty and betrayal. . . a fascinating description of an exciting and rewarding life!

Paul Burrell served Diana, Princess of Wales, as her faithful butler from 1987 until her death in 1997. He was much more than an employee: he was her right-hand man, confidant, and friend whom Diana herself described as "the only man she ever trusted." Featuring previously unseen interior photographs and remarkably intimate details, *The Way We Were* flings open the

doors to Kensington Palace, leading readers deep inside the private world of Princess Diana—room by room, memory by memory. Marking the tenth anniversary of the princess's death, Burrell has penned a faithful and poignant tribute to "the boss"—capturing as never before her vivacity and love of life, her style, her fashion, and her heart. Some images that appeared in the print edition of this book are unavailable in the electronic edition due to rights reasons.

Comprising both true stories and some short fiction, this book tells tales of growing up in Cork, Ireland, looking back with fondness on childhood.
