Pas un seul ne s'est produit sans elle. Ce

#1 New York Times and USA Today Bestseller "J. Lynn creates a wonderful cast of characters that will make you laugh, swoon, and cry. Cam stole my heart." —Cora Carmack, New York Times and USA Today bestselling author of *Losing It* Some things are worth waiting for... Traveling thousands of miles from home to enter college is the only way nineteen-year-old Avery Morgansten can escape what happened at the Halloween party five years ago--an event that forever changed her life. All she needs to do is make it to her classes on time, make sure the bracelet on her left wrist stays in place, not draw any attention to herself, and maybe—please God—make a few friends, because surely that would be a nice change of pace. The one thing she didn't need and never planned on was capturing the attention of the one guy who could shatter the precarious future she's building for herself. Some things are worth experiencing... Cameron Hamilton is six feet and three inches of swoon-worthy hotness, complete with a pair of striking blue eyes and a remarkable ability to make her want things she believed were irrevocably stolen from her. She knows she needs to stay away from him, but Cam is everywhere, with his charm, his witty banter, and that damn dimple.... Getting involved with him is dangerous, but when ignoring their simmering tension becomes impossible, he brings out a side of her she never knew existed. Some things should never be kept quiet... But when Avery starts receiving threatening emails and phone calls—forcing her to face a past she wants silenced—she has no other choice but to acknowledge that she will not be allowed to let go of that night when everything changed. When the devastating truth comes out, can she resurface this time with one less scar? And will Cam be there to help her or will he be dragged down with her? And some things are worth fighting for...

Dive into a world of sex, secrets, and scandal in *Reckless and Real*. This omnibus bundle edition includes *SOMETHING WILD*, *SOMETHING RECKLESS*, *SOMETHING REAL*, as well as a bonus epilogue short story, *SOMETHING BEAUTIFUL*. *SOMETHING WILD* Samuel Bradshaw is a man with a reputation—the kind of reputation that should have me running the other way. Instead, it has me searching for the shortest distance to his bed. I won't be the starry-eyed girl who thinks she can change a man like Sam, and despite what he thinks, forever is not what I need. I need the things he makes me feel, the way he turns me on, and the promise of pleasure in his eyes. I need *SOMETHING WILD*. *SOMETHING RECKLESS* He talks dirty to me, but I don't know his name. He wants to tie me up, but I don't know his face. He turns me on, but I couldn't point him out in a crowd. I've fallen for an anonymous stranger, and now the anonymity ends. I want more than typed secrets and texted promises. I want something reckless. Heat. Passion. The thrill of being entirely possessed. Because I suspect this anonymous stranger isn't a stranger at all. *SOMETHING REAL* After everything blew up on Christmas, Liz walked away from me, and I let her. She said she needed space and a chance to pursue her dreams. But we both knew she was running from the mess she made. Now the political campaign she used as an excuse to leave is bringing us back together and I'm proving to her what she really needs—not just the hot nights, greedy hands, and undeniable physical chemistry. What she really needs is something real. What she really needs...is me.

Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (*Romantic Times*), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.
