of violence or sexual abuse. Survivors of abuse have experienced violation of their personal boundaries; they have been traumatized, betrayed, and often are stigmatized and made to feel powerless. Childhood sexual abuse, particularly of young children, may also be oral in nature, causing many survivors to experience difficulties tolerating various

The Long Shadow: Adult Survivors of Childhood Abuse Kathleen Kendall-Tackett, Ph.D., IBCLC Family Research Laboratory, University of New Hampshire It seems you can't turn on a TV these days without hearing about childhood abuse. References to "the dysfunctional family" are so common they are almost a cliché.

Understanding Survivors of Domestic Abuse. 2.1K likes. I am a survivor of domestic abuse. Break the SILENCE and stop the VIOLENCE. Don't give up hope ♥

As a survivor of childhood sexual abuse, I can tell you firsthand how isolating and lonely it feels as a child and how those cognitions followed me into adulthood. The brain often cannot fathom the horrors of the experience, let alone realize how widespread this form of child abuse is.

Survivors are often known for their honesty and actions/words lining up very congruently. An abuser is drawn to this fabulous quality because, almost as if by osmosis, they can assume the personality of their partner just by being associated with him/her and the survivor's good works for the community.
