Exodus
ExodusA novel of Israel.Our ExodusLeon Uris and the Americanization of Israel’s Founding StoryWayne State University PressExamines the phenomenon of Exodus and its influence on post-World War II understandings of Israel’s beginnings.Exodus RevisitedExodusBallantine BooksAn American nurse becomes involved in the dramatic events leading to the establishment of the Israeli nationThe HajBantamExamines the tragic history of the Middle East in an epic tale that recreates the turbulent era from World War I to the early decades of the existence of the state of IsraelTrinity-Harper CollinsFrom the acclaimed author who enthralled the world with Exodus, Battle Cry, QB VII, Topaz, and other beloved classics of twentieth-century fiction comes a sweeping and powerful epic adventure that captures the "terrible beauty" of Ireland during its long and bloody struggle for freedom. It is the electrifying story of an idealistic young Catholic rebel and the valiant and beautiful Protestant girl who defied her heritage to join his cause. It is a tale of love and danger, of triumph at an unthinkable cost -- a magnificent portrait of a people divided by class, faith, and prejudice -- an unforgettable saga of the fires that devastated a majestic land . . . and the unquenchable flames that burn in the human heart.Exodus RevisitedLeon Uris-Life of a Best SellerUniversity of Texas PressThe first biography of the massively popular author of Exodus and Trinity, who “was as feisty as any of his fictional creations” (Publishers Weekly). As the #1 New York Times-bestselling author of Exodus, Mila 18, QB VII, and Trinity, Leon Uris blazed a path to celebrity with books that readers couldn’t put down. Uris’s thirteen novels sold millions of copies, appeared in fifty languages, and were adapted into equally successful movies and TV miniseries. Few writers equaled his fame in the mid-twentieth century. His success fueled the rise of mass-market paperbacks, movie tie-ins, and author tours. Beloved by the public, Uris was, not surprisingly, dismissed by literary critics. Until now, his own life—as full of drama as his fic-

tion—has never been the subject of a book. Now Ira Nadel traces Uris from his disruptive youth to his life-changing experiences as a marine in World War II. These experiences, coupled with Uris’s embrace of his Judaism and desire to write, led to his unprecedented success and the lavish excesses of a career as a best-selling author. Nadel reveals that Uris lived the adventures he described, including his war experiences in the Pacific (Battle Cry), life-threatening travels in Israel (Exodus), visit to Communist Poland (Mila 18), libel trial in Britain (QB VII), and dangerous sojourn in fractious Northern Ireland and the Irish Republic (Trinity). Nadel also demonstrates that Uris’s talent for writing action-packed yet thoroughly researched novels meshed perfectly with the public’s desire to revisit and understand the tumultuous events of recent history—making him far more popular (and wealthier) than more literary authors—while paving the way for future blockbuster writers such as Irving Wallace and Tom Clancy.Leon UrisA Critical CompanionGreenwood Publishing GroupThe first full-length critical study of Leon Uris, who in eleven novels written over four decades, has chronicled the unceasing fight of dedicated individuals against the forces of oppression.A God in RuinsAvonA God in Ruins Spanning the decades from World War II to the 2008 presidential campaign, A God in Ruins is the riveting story of Quinn Patrick O’Connell, an honest, principled, and courageous man on the brink of becoming the second Irish Catholic President of the United States. But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart--a secret buried for over a half century--that even he does not know...Armageddon; a Novel of Berlin,Battle Cry-Blackstone PublishingBattle Cry is the riveting Marine epic by the bestselling author of such classics as Trinity and Exodus Originally published in 1953, Leon Uris's Battle Cry is the raw and exciting story of men at war from a legendary American author. This is the story of enlisted men--Marines at the beginning of World War II. They are a rough-and-ready tangle of guys from America's cities and farms and reserva-

tions. Led by a tough veteran sergeant, these soldiers band together to emerge as part of one of the most elite fighting forces in the world. With staggering realism and detail we follow them into intense battles--Guadalcanal and Tarawa--and through exceptional moments of camaraderie and bravery, Battle Cry does not extol the glories of war, but proves itself to be one of the greatest war stories of all time.Mitla PassWriter Gideon Zadok leaves the glitter of Hollywood for the newly created State of Israel, where he learns much about himself and love on a dangerous military operation he covers as a war correspondent.ExodusLeon UrisThe Angry HillsBlackstone PublishingJust as World War II threatens to break out, Mike Morrison arrives in Greece to collect his late wife's inheritance. Hoping to quickly finish his business and leave before German troops invade, Morrison's plans are derailed when he receives a letter listing the names of Greek patriots pretending to be German collaborators, a list Nazi strategists desperately need. With the outcome of the war hinging on Morrison's ability to protect the letter, he embarks on an adventure across Greece in an effort to evade Nazi troops and keep the letter from falling into enemy hands. Based on the diaries of Leon Uris's uncle, this action-packed thriller will keep listeners in suspense until the very end. A 1959 film adaptation starred Robert Mitchum and Stanley Baker.O'Hara's ChoiceHarper CollinsFifty years after his first novel, Battle Cry, took the world by storm, Leon Uris returns to the topic that first inspired him to write books that captivate, educate, and thrill -- the Marine Corps. In the years following the Civil War, first-generation Irish-American Zachary O'Hara, son of a legendary Marine and a force of a man in his own right, finds himself playing a critical role in the very future of the Marines. If he can persuade the Secretary of the Navy that the Marines are more crucial than ever to America's safety and security -- all the while hefting a heavier secret weight in his heart -- he'll save the corps and make his career. But there's an obstacle in his path that this warrior had not planned on. Amanda Blanton Kerr, the daughter of a ruthless industrialist, is a woman on a

mission of her own; passionate, obstinate, and whip-smart, she's an heiress poised to blaze a trail for her sex. O'Hara's *Choice* is the story of the inevitable collision of these two handsome, fighting spirits. Getting their souls' desire could jeopardize everything they -- and their parents before them -- scraped and struggled to achieve. Duty to country, love of family, and a tormented passion intertwine in this latest epic by Leon Uris, international bestselling author of such classics as *Exodus*, *Trinity*, and *Battle Cry*. A riveting, sweeping tale in inimitable Uris style, O'Hara's *Choice* is this master of the historical novel at his most brilliant. The War on Error Israel, Islam, and the Middle East Transaction Publishers In The War on Error, historian and political analyst Martin Kramer presents a series of case studies, some based on pathfinding research and others on provocative analysis, that correct misinformation clouding the public's understanding of the Middle East. He also offers a forensic exploration of how misinformation arises and becomes "fact." The book is divided into five themes: Orientalism and Middle Eastern studies, a prime casualty of the culture wars; Islamism, massively misrepresented by apologists; Arab politics, a generator of disappointing surprises; Israeli history, manipulated by reckless revisionists; and American Jews and Israel, the subject of irrational fantasies. Kramer shows how error permeates the debate over each of these themes, creating distorted images that cause policy failures. Kramer approaches questions in the spirit of a relentless fact-checker. Did Israeli troops massacre Palestinian Arabs in Lydda in July 1948? Was the bestseller *Exodus* hatched by an advertising executive? Did Martin Luther King, Jr., describe anti-Zionism as anti-semitism? Did a major post-9/11 documentary film deliberately distort the history of Islam? Did Israel push the United States into the Iraq War? Kramer also questions paradigms—the "Arab Spring," the map of the Middle East, and linkage. Along the way, he amasses new evidence, exposes carelessness, and provides definitive answers. *Battle Cry* EXODUS LEON URIS Aliya Three Generations of American-Jewish Immigration to Israel St. Martin's Press a·li·ya, n., also aliyah. pl. aliyas or aliyot. The immigration of Jews into Israel. Why would American Jews---not just materially successful in this country but perhaps for the first time in the two-thousand-year Jewish Diaspora truly socially accepted and at home---choose to leave the material comforts, safety, and peace of the United States for the uncertainty and violence of Israel? Still, aliya is a phenomenon that affects all American Jews. Un-

derstanding this phenomenon means understanding what is arguably the fundamental question of American Jewry; it is that question that Liel Leibovitz sets out to answer in *Aliya*. Leibovitz focuses on the stories of three generations of immigrants. Marlin and Betty Levin, searching for excitement and ideology, traveled to Palestine before Israel was even created. There, with Marlin working as a reporter and Betty volunteering with the Jewish underground movement, the two witnessed the bloody birth of the Jewish state. Two decades later, Mike Ginsberg, overcome with awe at the heroic Jews who fought for their country in the 1967 war, immigrated as well and was involved in much of Israel's tumultuous history, including the Yom Kippur War. He was a member of Kibbutz Misgav Am during the famous terrorist attack on the infants' nursery there, and he helped repel numerous waves of terrorists attacks on his kibbutz. Finally, Danny and Sharon Kalker and their children left their home in Queens, New York, to move to a West Bank settlement in 2001, during one of the most unsettled phases in Israel's existence. With a keen writer's eye and unfeigned passion for his subject, Leibovitz explores the fears, hopes, and dreams of the American-Jewish immigrants to Israel and the journey they undertook, a journey that lies at the very heart of what it means to be a Jew. Ireland A Terrible Beauty Blackstone Publishing Photographs and text combine to provide a tour of the cities, towns, and rural areas of the Republic and of Ulster and of their history and current troubles. Redemption Epic Story of Trinity Continues..., The Harper Collins Master storyteller Leon Uris, internationally acclaimed author of such bestsellers as *Exodus*, *Topaz*, QB VII, *Trinity*, the Haj and Mitla Pass, continues the epic story of the Irish struggle for freedom in *Redemption*. A dramatic saga set against the backdrop of growing unrest in Ireland and a world on the brink of the First World War, *Redemption* weaves together a cast of unforgettable characters that form the heart and soul of three extraordinary Irish families. hey love freedom more than life, and they will fight to the death to win it. From the magnificence of New Zealand's green mountains, to the bloody beaches and cliffs of Gallipoli, to the streets of Dublin and the shipyards of Belfast, *Redemption* follows three Irish Patriots on their odysseys of freedom and passion- in a monumental tale of the men and women who loved, fought, and died for the chance to be free. Exodus by Leon Uris We Are Jews Again Jewish Activism in the Soviet Union Syracuse University Press Kosharovsky's authoritative four-volume history of the Jewish movement in the

Soviet Union is now available in a condensed and edited volume that makes this compelling insider's account of Soviet Jewish activism after Stalin available to a wider audience. Originally published in Russian from 2008 to 2012, "We Are Jews Again" chronicles the struggles of Jews who wanted nothing more than the freedom to learn Hebrew, the ability to provide a Jewish education for their children, and the right to immigrate to Israel. Through dozens of interviews with former refuseniks and famous activists, Kosharovsky provides a vivid and intimate view of the Jewish movement and a detailed account of the persecution many faced from Soviet authorities. Qb VII Exodus-Mila 18 ; QB VII The Suspect Felony & Mayhem Press This Edgar Award-winning debut kicks off a cult favorite crime series with a noirish tale of murder set along Canada's Sunshine Coast. To Karl Alberg, the coastal town of Sechart, just north of Vancouver, looks like the perfect place to soothe a psyche that's been battered by big-city police work. Bees buzz among the roses, and the local librarian is attractive, intriguing, and unattached. Perhaps he has at last come in from the cold. But sunny towns can conceal a lot of secrets—some of them bleak enough to make a man yearn for some nice straightforward urban crime. In 1986 L.R. Wright's *The Suspect* became the first Canadian novel to win an Edgar award, beating out titles by Ruth Rendell and Jonathan Kellerman. It went on to become a cult favorite among mystery fans, who prized its delicately etched sense of melancholy and intriguing character studies of the cop, his quarry, and the enigmatic librarian who proves an unlikely bridge between the two. Exodus Revisited Author collaborates with Dimitrios Harisiadis, a Greek photographer, to picture the land and people of Israel. Our American Israel The Story of an Entangled Alliance Harvard University Press How did a Jewish state come to resonate profoundly with Americans in the twentieth century? Since WWII, Israel's identity has been entangled with America's belief in its own exceptionalism. Turning a critical eye on the two nations' turbulent history together, Amy Kaplan unearths the roots of controversies that may well divide them in the future. A Doctor in Galilee The Life and Struggle of a Palestinian in Isreal Pluto Press Hatim Kanaaneh is a Palestinian doctor who has struggled for over 35 years to bring medical care to Palestinians in Galilee, against a culture of anti-Arab discrimination. This is the story of how he fought for the human rights of his patients and overcame the Israeli authorities' cruel indifference to their suffering. Kanaaneh is a native of

Galilee, born before the creation of Israel. He left to study medicine at Harvard, before returning to work as a public health physician with the intention of helping his own people. He discovered a shocking level of disease and malnutrition in his community and a shameful lack of support from the Israeli authorities. After doing all he could for his patients by working from inside the system, Kanaaneh set up The Galilee Society, an NGO working for equitable health, environmental and socio-economic conditions for Palestinian Arabs in Israel. This is a brilliant memoir that shows how grass roots organisations can loosen the Zionist grip upon Palestinian lives.

Jerusalem Song of Songs Blackstone Publishing A magnificent historical tribute to the city of Jerusalem encompasses the five turbulent millennia of its history, and is accompanied by numerous photographs that illuminate every facet of the amazing city.

Battle Cry Harper Collins Battle Cry is the riveting Marine epic by the bestselling author of such classics as *Trinity* and *Exodus*. Originally published in 1953, Leon Uris's *Battle Cry* is the raw and exciting story of men at war from a legendary American author. This is the story of enlisted men – Marines – at the beginning of World War II. They are a rough-and-ready tangle of guys from America's cities and farms and reservations. Led by a tough veteran sergeant, these soldiers band together to emerge as part of one of the most elite fighting forces in the world. With staggering realism and detail, we follow them into intense battles – Guadalcanal and Tarawa – and through exceptional moments of camaraderie and bravery. *Battle Cry* does not extol the glories of war, but proves itself to be one of the greatest war stories of all time.

A God in Ruins Harper Collins A God in Ruins Spanning the decades from World War II to the 2008 presidential campaign, *A God in Ruins* is the riveting story of Quinn Patrick O'Connell, an honest, principled, and courageous man on the brink of becoming the second Irish Catholic President of the United States. But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart—a secret buried for over a half century—that even he does not know...

Operation Exodus From the Nazi Death Camps to the Promised Land: A Perilous Journey That Shaped Israel's Fate-Macmillan The riveting chronicle of Jewish war survivors and their flight on the dramatic voyage of *Exodus 1947*, the international incident that gained sympathy for the formation of Israel The underground Jewish group Haganah arranged for the purchase of a small American steamer as

part of an ambitious and daring mission: to serve as lifeboat for more than four thousand survivors of Nazi rule and transport them to Palestine. Renamed *Exodus 1947*, the ship and its young crew left France en route to the future state of Israel. The Holocaust survivors aboard *Exodus* endured even more hardships when the Royal Navy stopped the ship in international waters, used force in boarding (killing two passengers and one crewmember) and eventually deported its human cargo to internment camps in Germany. The death of the ship's captain in late 2009 generated headlines throughout the world. Enriched with new survivors' testimonies and previously unpublished documentation, *Operation Exodus* is the deeply moving saga of a people who risked all in search for a home.

Topaz; a Novel, The Israel-Palestine Conflict A HistoryCambridge University Press The fourth edition of this award-winning account of the conflict between Israel and Palestine for students and general readers.

Exodus Bloomsbury Publishing USA Less than a hundred years from now, the world as we know it no longer exists. Cities have disappeared beneath the sea, technology no longer functions, and human civilization has reverted to a much more primitive state On an isolated northern island, the people of Wing are trying to hold onto their way of life—even as the sea continues to claim precious acres and threatens to claim their very lives. Only fifteen-year-old Mara has the vision and the will to lead her people in search of a new beginning in this harsh, unfamiliar world. This compelling and powerful story set in the near future will hit home with teens, especially those who are ever more aware of the increasingly controversial climate crisis we face in our world today.

Exodus Das große Epos um die Gründung IsraelsMila 18 The Last Exodus University of Washington Press The Last Exodus is recognized as the finest study yet written of the Jewish dissident movement in the Soviet Union. The author explains how and why a Soviet Jewish underground came into existence, who has led it, what techniques it has used, and how it has grown and spread in a country where only a few years ago such defiance would have been viewed as impossible.

Battle Cry is the riveting Marine epic by the bestselling author of such classics as *Trinity* and *Exodus*. A God in Ruins Spanning the decades from World War II to the 2008 presidential campaign, A God in Ruins is the riveting story of Quinn Patrick O'Connell, an honest, principled, and courageous man on the brink of becoming the second Irish Catholic President of the United States. But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart—a secret buried for over a half century—that even he does not know...

Fifty years after his first novel, Battle Cry, took the world by storm, Leon Uris returns to the topic that first inspired him to write books that captivate, educate, and thrill -- the Marine Corps. In the years following the Civil War, first-generation Irish-American Zachary O'Hara, son of a legendary Marine and a force of a man in his own right, finds himself playing a critical role in the very future of the Marines. If he can persuade the Secretary of the Navy that

the Marines are more crucial than ever to America's safety and security -- all the while hefting a heavier secret weight in his heart -- he'll save the corps and make his career. But there's an obstacle in his path that this warrior had not planned on. Amanda Blanton Kerr, the daughter of a ruthless industrialist, is a woman on a mission of her own; passionate, obstinate, and whip-smart, she's an heiress poised to blaze a trail for her sex. O'Hara's Choice is the story of the inevitable collision of these two handsome, fighting spirits. Getting their souls' desire could jeopardize everything they -- and their parents before them -- scraped and struggled to achieve. Duty to country, love of family, and a tormented passion intertwine in this latest epic by Leon Uris, international bestselling author of such classics as Exodus, Trinity, and Battle Cry. A riveting, sweeping tale in inimitable Uris style, O'Hara's Choice is this master of the historical novel at his most brilliant.

Author collaborates with Dimitrios Harisiadis, a Greek photographer, to picture the land and people of Israel.

The fourth edition of this award-winning account of the conflict between Israel and Palestine for students and general readers.

This Edgar Award-winning debut kicks off a cult favorite crime series with a noirish tale of murder set along Canada's Sunshine Coast. To Karl Alberg, the coastal town of Sechelt, just north of Vancouver, looks like the perfect place to soothe a psyche that's been battered by big-city police work. Bees buzz among the roses, and the local librarian is attractive, intriguing, and unattached. Perhaps he has at last come in from the cold. But sunny towns can conceal a lot of secrets—some of them bleak enough to make a man yearn for some nice straightforward urban crime. In 1986 L.R. Wright's The Suspect became the first Canadian novel to win an Edgar award, beating out titles by Ruth Rendell and Jonathan Kellerman. It went on to become a cult favorite among mystery fans, who prized its delicately etched sense of melancholy and intriguing character studies of the cop, his quarry, and the enigmatic librarian who proves an unlikely bridge between the two.

Examines the phenomenon of Exodus and

its influence on post-World War II understandings of Israel's beginnings.

A novel of Israel.

The first biography of the massively popular author of Exodus and Trinity, who "was as feisty as any of his fictional creations" (Publishers Weekly). As the #1 New York Times bestselling author of Exodus, Mila 18, QB VII, and Trinity, Leon Uris blazed a path to celebrity with books that readers couldn't put down. Uris's thirteen novels sold millions of copies, appeared in fifty languages, and were adapted into equally successful movies and TV miniseries. Few writers equaled his fame in the mid-twentieth century. His success fueled the rise of mass-market paperbacks, movie tie-ins, and author tours. Beloved by the public, Uris was, not surprisingly, dismissed by literary critics. Until now, his own life—as full of drama as his fiction—has never been the subject of a book. Now Ira Nadel traces Uris from his disruptive youth to his life-changing experiences as a marine in World War II. These experiences, coupled with Uris's embrace of his Judaism and desire to write, led to his unprecedented success and the lavish excesses of a career as a best-selling author. Nadel reveals that Uris lived the adventures he described, including his war experiences in the Pacific (Battle Cry), life-threatening travels in Israel (Exodus), visit to Communist Poland (Mila 18), libel trial in Britain (QB VII), and dangerous sojourn in fractious Northern Ireland and the Irish Republic (Trinity). Nadel also demonstrates that Uris's talent for writing action-packed yet thoroughly researched novels meshed perfectly with the public's desire to revisit and understand the tumultuous events of recent history—making him far more popular (and wealthier) than more literary authors—while paving the way for future blockbuster writers such as Irving Wallace and Tom Clancy.

The first full-length critical study of Leon Uris, who in eleven novels written over four decades, has chronicled the unceasing fight of dedicated individuals against the forces of oppression.

Writer Gideon Zadok leaves the glitter of Hollywood for the newly created State of Israel, where he learns much about himself and love on a dangerous military operation he covers as a war correspondent.
