The so-called War on Terror has created a global bonanza for the world of commercial military suppliers. Ever since British army housing was sold off to the highest bidder in the mid-1990s, military and national security planners and their political masters in the US and UK have been seeking opportunities to plug the gap between what they would like to do - and frequently claim they do - and what is actually possible.

War On Terror Inc CorporateBut as Solomon Hughes shows in this wide-ranging chronicle, the many incarnations of the War on Terror have dramatically extended the role of private enterprise, bringing market forces and market thinking to bear on areas of public policy that were once the sole preserve and responsibility
