Whitechapel is a district in East London and the future administrative centre of the London Borough of Tower Hamlets. It is a part of the East End of London, 3.4 miles (5.5 km) east of Charing Cross. It was part of the ancient parish of Stepney, Middlesex. It was split off as a separate parish in the 14th century.

Whitechapel. Whitechapel have had a wild career so far. Initially acted as a secret tip, the rough Deathcore sound and the distinctive voice of lead singer Phil Bozeman quickly became a trademark and the labels became soon aware of the band from Knoxville.

Whitechapel is a dark series that gets darker over four seasons. I rate season 4 three stars and the first three seasons a dwindling five stars. An assortment of idiosyncratic, well-developed, and well-played (if not always likeable) characters investigate sets of serial murderers.
