A dangerous virus is making many people sick. Because of this, nothing is as it was. Most of the businesses are closed. In those that are still open, there isn't enough of everything available to buy. Schools, preschools and playgrounds are also closing, and so Amelie and Amos need to spend almost all day at home. Even though it is a difficult time for many, there are wonderful experiences as well. And one thing is certain: Eventually, things will be looking up again!

Since the pandemic, children all over the world are having to stay at home. Adults all over the world are unsure how to explain something they are struggling to comprehend themselves. Written by Play and Creative Arts Therapist Sophie Marsh and illustrated by Catherine Battle, *The Stay Home Superheroes* empowers children to understand what is happening and the important, powerful role they can play. This beautiful book helps children to move from feeling stuck at home, worried and unsure, to feeling excited about becoming Stay Home Superheroes and saving the world! All money raised from generous donations, along with profit from sales of the book will go directly to a children's charity, supporting more Stay Home Superheroes to access the support they need.

Staying Home paints a vivid picture of the feelings and experiences that can come along with staying home. This lyrical picture book encourages young readers to acknowledge the comfortable and uncomfortable moments of life lived at home, and to look forward to sharing those experiences with the great, big world beyond.

With the rising costs of living, stretching the paycheck seems to be getting harder and harder. "Living a Rich Life as a Stay-at-Home Mom," outlines clear, simple, and effective strategies that make financial management easier. Here are just a few of the valuable insights you'll discover: * Maximizing time and income efficiently is important for busy stay-at-home moms. We teach how to save money in a convenient and practical manner. * Debt is extremely binding. If you are in debt, rest assured it is possible for you to get out of it, set aside money in savings, and build a retirement. We'll show you how. * We share many ideas on how to teach your children about money, as well as how to help them build a strong work ethic. * Money can make marriage even more complex than it already is. Some couples have very similar beliefs on money management, but most do not. We discuss some perspectives on how to make money management work in a marriage. * Excellent credit is very important for life-long financial stability. Learn how to improve a less-than-good credit score. * Many families wonder whether they should rent or buy. Before deciding, there are many factors to consider. Our advice may come as a surprise. If you already have a mortgage, you will learn how you can save tens of thousands on the life of your home loan. * Budgeting comes easily for some but is more difficult for others. You will see many ways to budget for different types of marriages, families, and personalities. * We illustrate some simple ways a mom can prepare her family for natural disasters, income loss, and economic depressions. * Do you want or need to make money, yet still desire to be a stay-at-home mom? You will receive access to 32+ interviews with money-making stay-at-home moms. * Do the endless homemade meals, loads of laundry, and hours of cleaning sometimes feel meaningless? We'll show you how important they are and how much they SAVE your family in the long run. You'll also read about: * Why those who give are the richest of ALL. * WHERE TO INVEST. * If becoming a stay-at-home mom is financially possible for a dual-income family. * Ideas on how to combat rising health insurance premiums * Food-saving tips for the 'Anti-Couponer,' 'Efficient-Couponer,' and 'Wholesale Shopper.' Because our children are our greatest priority "Living a Rich Life as a Stay-at-Home Mom" also covers: * Helping your children prepare for college and even pay for it on their own. * Learning a very simple but effective way to teach your children to save and manage money. * Getting rid of the entitlement attitude. Too many young adults suffer today because they believe they are entitled to things without working for them. * Helping your child build an excellent credit score. Implementing principles from this book will help you build a secure financial foundation for you and your children. Purchase your copy and get started on the path to financial security today.

When you're trapped in a cycle of financial frustration, and you feel like you've tried everything only to end up with more month than money yet again, *More Than Just Making It* is your promise and pathway to thriving again. Take it from someone who's been there. Erin Odom grew up in the private schools and neatly manicured lawns of Upper Middle Class America, but was thrown into low-income living during the economic crash. She was a stay-at-home-mom, her husband was supporting the family on a teacher's salary, and despite the fact that they had no debt to their name, they were scrambling to make ends meet. Suddenly Erin found herself standing in line for food stamps, turning down play dates because she couldn't afford the gas, and ultimately walking into bankruptcy court in the eighth month of her third pregnancy. *More Than Just Making It* tells the story of their breaking point, as well as the triumph of their comeback. It took hard work, creativity, and faith in God's provision to reset their bank account as well as their hearts, but ultimately they found a new way to thrive and freedom from financial anxiety. You can do the same. Learn how Erin and her family saved enough money to put \$30,000 down on a home, buy a minivan in cash, and begin sending their daughter to private Christian school. *More Than Just Making It* will encourage readers to rise above their circumstances, empower them with money-saving tips, and reimagine the good life as God designed it outside the myth of the American Dream.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

An in-depth sociological look at stay-at-home fathers' familial experiences for a deeper understanding of this new familial role, of men's evolving masculinity and fathering identities, and the interaction of community and sense of belonging among those considered "outsiders".

In *Let's Stay Home*, bright, upbeat illustrations and fun at-home activity suggestions keep your young children (and you) entertained, healthy, and connected with others while social distancing. Instead of being "stuck" at home, why not enjoy your time inside? *Let's Stay Home* shows you all the things you can do at home to keep happy and healthy! The fear-free language and simple mental and physical health concepts in this book can help children manage the emotions, stress, and anxiety that may come during this pandemic. A proactive, encouraging tone inspires kids to get creative, stay physically fit, and demonstrate their love for others. From family fitness classes to video-calling grandparents and everything in between, explore all the fun things you can do while staying at home! Find joy as you: Display something in your window to make your neighbors smile Make art Dance around Blow bubbles Play dress up Plant a garden Dream up other fun things you can do at home! An inspirational read for the entire family, *Let's Stay Home* is not only perfect for giving ideas for indoor entertainment, but also for introducing young children to key hygiene practices that promote physical wellness.

They number in the millions and they are incredibly important to families and to our society, yet they are underappreciated, little respected, and even controversial. Who are they? They are the stay-at-home moms. These are women who know in their hearts that staying home to raise their children is the right choice for the whole family. Some do it from the outset of their marriages, while others make the difficult transition from career-driven women to homemakers. Either way, it is a choice that is incredibly rich and rewarding, not to mention challenging. Now Dr. Laura, building on principles developed during her long career as a licensed marriage and family therapist, provides a wealth of advice and support, as well as compassion and inspiration, to women as they navigate the wonders and struggles of being stay-at-home moms. Learn how: to hold your head high and deal with naysayers; to see the benefits of being home not only for your children but also for your marriage; to understand the changes you see in yourself; to realize that the sacrifices you endure now will make for lasting bonds and a stronger family, in addition to a more cohesive community. In *Praise of Stay-at-Home Moms* is a special book, a profound and unique understanding of how important it is for mothers to raise their own children.

as they navigate the wonders and struggles of being stay-at-home moms. Learn how: to hold your head high and deal with naysayers; to see the benefits of being home not only for your children but also for your marriage; to understand the changes you see in yourself; to realize that the sacrifices you endure now will make for lasting bonds and a stronger family, in addition to a more cohesive community. In *Praise of Stay-at-Home Moms* is a special book, a profound and unique understanding of how important it is for mothers to raise their own children. A Day to Stay Home Written during the 2020 pandemic, *A Day to Stay Home* reminds us of the simple joy of using our imaginations. Join this little girl and her family and discover the adventure of staying home together. The Right to Stay Home How US Policy Drives Mexican Migration Beacon Press The story of the growing resistance of Mexican communities to the poverty that forces people to migrate to the United States People across Mexico are being forced into migration, and while 11 percent of that country's population lives north of the US border, the decision to migrate is rarely voluntary. Free trade agreements and economic policies that exacerbate and reinforce extreme wealth disparities make it impossible for Mexicans to make a living at home. And yet when they migrate to the United States, they must grapple with criminalization, low wages, and exploitation. In *The Right to Stay Home*, journalist David Bacon tells the story of the growing resistance of Mexican communities. Bacon shows how immigrant communities are fighting back—envisioning a world in which migration isn't forced by poverty or environmental destruction and people are guaranteed the "right to stay home." This richly detailed and comprehensive portrait of immigration reveals how the interconnected web of labor, migration, and the global economy unites farmers, migrant workers, and union organizers across borders. In addition to incisive reporting, eleven narratives are included, giving readers the chance to hear the voices of activists themselves as they reflect on their experiences, analyze the complexities of their realities, and affirm their vision for a better world. Staying Home with the Kids How to Stay Sane, Stay 'You' and Enjoy Your Time at Home with Your Little People From Boardroom to Baby A Roadmap for Career Women Transitioning to Stay-At-Home Moms Red Wheel/Weiser From Boardroom to Baby provides emotional encouragement and practical guidance for career women who are opting out of the workforce to stay home with their children. A recent Gallup poll concluded that stay-at-home moms were significantly less likely than working moms to consider their lives "thriving" and experienced higher rates of depression. Even so, millions of mothers are choosing to put their careers on hold and stay home with their children. From Boardroom to Baby shatters the stereotypes associated with "staying home" and empowers new moms to blaze their own unique paths through motherhood and beyond. Along with a thoughtful map and modern-day tools to help moms carve out meaning and purpose in their new roles, *From Boardroom to Baby* offers: Heartfelt stories of the author's own journey from a Fortune 500 company to life on the home front. Mindful exercises that prompt soul searching and self-discovery. Expert advice from a mental health counselor. Meaningful affirmations that promote grace and strength throughout motherhood. Time to Stay Home ... What's Next? Kids and grown-ups have lots of fears, but for many of us, the "unknown" edges out pretty much everything else. When something huge (ahem, a pandemic) happens in a child's life, everything they know is thrown into chaos. Kids (like the rest of us) handle change best if they know what to expect, both on a day-to-day basis and long-term. *Time to Stay Home . . . What's Next?* helps kids understand that while some things have changed, many things have not - and that their routine will help them feel safe. Join *Stinkerpants* and her stuffed giraffe *Stuart* as they explain a kid's day-to-day life and what to do when feelings get BIG. Using an illustrated calendar to explain how staying home affects a child's daily routine, *Time to Stay Home . . . What's Next?* focuses on the child's experience and removes unknowns from the equation. "Most of the time we do the same things in the mornings. We wake up. We eat breakfast. (I like apples. Stuart only eats bugs.) . . . During the day when we are awake, we do different things. Some days we go to the playground, and some days we don't! Some days we have play dates, and some days we don't! But every night, we sleep, and every morning, we wake up. " By creating a routine that kids can see and understand, parents can restore a sense of safety and predictability in their kids' lives, helping them to be more resilient in the face of life's inevitable challenges. *Time to Stay Home . . . What's Next?* is the perfect book for families that want to empower kids with knowledge, which is proven to help kids through traumatic situations. Aimed at families with kids from toddlers to kindergarten, this method of teaching is based on decades of solid science about how kids learn and cope with the major day-to-day changes that result from life's toughest stuff. *Being There* The Benefits of a Stay-at-home Parent Barrons Educational Series Incorporated Details evidence which reveals the importance of maintaining continuity of nurturing care for infants and toddlers and discusses the value of a parental presence in a child's early years *How to Help Your Husband Make More Money so You Can Be a Stay-at-Home Mom* Grand Central Publishing The author shares the techniques and secrets she used to help her husband make more money. Providing information on how a wife can help her husband boost his income, this is the guide book for those women dreaming of being a stay-at-home mom. *Living a Rich Life As a Stay-At-Home Mom* How to Build a Secure Financial Foundation for You and Your Children CreateSpace With the rising costs of living, stretching the paycheck seems to be getting harder and harder. "Living a Rich Life as a Stay-at-Home Mom," outlines clear, simple, and effective strategies that make financial management easier. Here are just a few of the valuable insights you'll discover: * Maximizing time and income efficiently is important for busy stay-at-home moms. We teach how to save money in a convenient and practical manner. * Debt is extremely binding. If you are in debt, rest assured it is possible for you to get out of it, set aside money in savings, and build a retirement. We'll show you how. * We share many ideas on how to teach your children about money, as well as how to help them build a strong work ethic. * Money can make marriage even more complex than it already is. Some couples have very similar beliefs on money management, but most do not. today. *Coronavirus: A Book for Children* Nosy Crow What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to: [https://www.nhscharitiestogether.co.uk/Even-Superheroes Stay Home](https://www.nhscharitiestogether.co.uk/Even-Superheroes-Stay-Home) #StayHome Children's Book A young boy stuck at home harnesses the super power of kindness to bring happiness to the family around him. Inspired by the 2020 Coronavirus pandemic, this short and silly rhyming story is the perfect inspiration for young heroes to make the best of our modern times around the house.--Previously released as a digital download, *Even Superheroes Stay Home* has been read by thousands of parents, children, and educators in 20+ countries. It has been featured on television and in the news across the United States. Jamie McGaw is a father, husband, creative director, and apparently an author, too. This is his first children's book. "I wrote + illustrated this book for my son. I wanted to inspire him to be the helpful superhero our house needs these days." *Stay Home... With Me* A Vlogger's Journey for Love and Fate Notion Press Torn between love and karma. What is he doing here Sivasini thought when she met John Wayne at the Happiness Yoga. Then she didn't have the least idea that she would have to travel unknown paths because of him. John felt that, "this Indian beauty is my girl" but Sivasini ignored her own feelings for him. "I have enough troubles already in my life," she thought as she could not think of resisting her orthodox mother. Invisible strings of love were woven between them. Still Sivasini could not get over her insecurities which threw them both worlds apart in the same city. Was their lives going to go on like that- with their love withering- or would some spiritual power intervene and help them find happiness? *Bad Apple* A Tale of Friendship Puffin Books Forging a fast but unusual friendship with Will the worm, Mac, a young apple, is bullied by other apples who say that apples and worms are not supposed to like each other, a situation that compels Mac to stand up for himself. *Stay Home, Get Naked, Have Fun* 100 ideas for your daily dose of s-exercise Penguin 100 ideas for your daily dose of s-exercise Raise the roof with 100 inventive ways to get your daily dose of s-exercise inside the house! Move over online fitness gurus, hard times call for fun, and now is the perfect opportunity to get up close and personal for some down and dirty with your loved one. These 100 saucy sex positions are sure to raise a sweat and get your heart pumping, while also helping to pass the time and provide some welcome stress relief. So stay home, get naked, and have fun! Chapters include: * Morning Glory - 20 ways to avoid watching daytime tv * Snatched Quickies - 20 ways to make the most of child-free moments * Twerking from Home - 20 ways to take a well-earned break * Sexy Siesta - 20 ways to fill long, lazy afternoons * Romantic Relief - 20 ways to wind down and relax *Being There* Why Prioritizing Motherhood in the First Three Years Matters Penguin A powerful look at the importance of a mother's presence in the first years of life **Featured in *The Wall Street Journal*, and seen on *Good Morning America*, *Fox & Friends*, and *CBS New York* In this important and empowering book, veteran psychoanalyst Erica Komisar explains why a mother's emotional and physical presence in her child's life--especially during the first three years--gives the child a greater chance of growing up emotionally healthy, happy, secure, and resilient. In other words, when it comes to connecting with your baby or toddler, more is more. Compassionate and balanced, and focusing on the emotional health of children and moms alike, this book shows parents how to give their little ones the best chance for developing into healthy and loving adults. Based on more than two decades of clinical work, established psychoanalytic theory, and the most cutting-edge neurobiological research on caregiving, attachment, and brain development, *Being There* explains: • How to establish emotional connection with a newborn or young child--regardless of whether you're able to work part-time or stay home • How to ease transitions to minimize stress for your baby or toddler • How to select and train quality childcare • What's true and false about widely held beliefs like "I'm not good with babies" and "I'll make up for it when he's older" • How to recognize and combat feelings of postpartum depression or boredom • Why three months of maternity leave is not long enough--and how parents can take control of their choices to provide for their family's emotional needs in the first three years *Being a New Mom* isn't easy. But with support, emotional awareness, and coping skills, it can be the most magical--and essential--work we'll ever do. *Stay Home* The Ugly Truth about Space Travel An illustrated guide to the dismal reality of space travel with drawings of creepy aliens and exotic spaceships especially created by Don Moyer--Mr. Calamityware. *Amos and Amelie* Need to Stay Home *Stories for the Little Ones* Babelcube Inc. A dangerous virus is making many people sick. Because of this, nothing is as it was. Most of the businesses are closed. In those that are still open, there isn't enough of everything available to buy. Schools, preschools and playgrounds are also closing, and so Amelie and Amos need to spend almost all day at home. Even though it is a difficult time for many, there are wonderful experiences as well. And one thing is certain: Eventually, things will be looking up again! *The Essential Stay-At-Home Mom Manual* How to Have a Wondrous Life Amidst Kids and Chaos Booktrope Editions Are you a stay-at-home mom who loves at-home motherhood, yet sometimes feels stressed, overwhelmed, and lonely? Do you know that your toddler's leftover fruit snacks plus a giant mug of coffee is not a nutritious lunch, but you're too tired and busy to eat better? Is your last kid-free outing a distant memory? If so, this book is for you. When psychologist Shannon Hyland-Tassava transitioned from full-time working professional to full-time stay-at-home mom, she discovered that the path was far rockier than portrayed in parenting magazines and diaper commercials. Along with the joy of new motherhood came numerous obstacles to good emotional and physical health. In *The Essential Stay-at-Home Mom Manual: How to Have a Wondrous Life Amidst Kids and Chaos*, Hyland-Tassava applies her expertise as a clinical psychologist to mothers' challenges, combining expert advice with relatable anecdotes, amusing blog excerpts, and wisdom from her own experiences. The result is an indispensable guide that includes both clinical self-help solutions for better emotional and physical health and practical strategies for making at-home motherhood easier and more fun. *The Negro Motorist Green Book* 1940 Edition Colchis Books The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. *Stay Home Adult Coloring Book* Motivational Quotes to Get Stay Home Positive Mindsets and Energetic Moods 30 Positive Affirmations Quarantine Life Designs to Color for Stress Relieving and Relaxation. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale. Flex Mom The Secrets of Happy Stay-at-Home Moms Morgan James Publishing-Motherhood doesn't have to mean losing yourself . . . Most moms are grateful they make the choice to be a stay-at-home mom (SAHM), but after a couple of years, they may feel like they're losing their mind. The alternative is going back to work, but that doesn't seem right either. Flex mom is for mothers who want a third model of motherhood, somewhere between stay-at-home mom and working mom. This third way is to be the primary caregiver for their children while deliberately creating a path that fuels their passions - leaving them fulfilled and confident. Described as a melting pot of positive psychology and coaching, with the humor and honesty of Anne Lamott's Bird by Bird, Flex Mom helps moms make the fleeting childrearing years their best yet. The Love Hypothesis Penguin includes an excerpt from Love on the brain. Stay-at-Home Handbook Advice for Parenting, Finances, Career, Surviving Each Day & Much More InterVarsity Press's your "home number" your "work number" too? If you are a stay-at-home parent, you know the workday never really ends. And every day brings both all-too-familiar challenges and unexpected joys. How do you keep it together--physically, mentally, emotionally and spiritually? Cheryl Gochnauer's previous book, So You Want to Be a Stay-at-Home Mom, helped parents consider what staying home requires and whether that choice was the best for them and their families. In this new guidebook Gochnauer tackles common--but often difficult--questions and challenges that beset stay-at-home parents: retaining an individual identity, feeling appreciated, viewing childrearing as a valid career choice, spending wisely, resisting guilt, evaluating work-at-home opportunities, handling sibling rivalry, volunteering at your child's school, succeeding as a stay-at-home dad, avoiding the TV, getting help with chores, setting a godly example, nurturing your spiritual growth. Forty-two brief chapters cover a variety of topics and can each be read in about ten minutes. Gochnauer also includes an appendix on networking opportunities for stay-at-home parents and a helpful listing of ministries and organizations that offer parenting resources, services and conferences (all accessible on the Internet). If you are a mom or dad at home part-time or full-time, you'll find immense encouragement--plus practical advice from one who has been there (and still is!)--in Stay-at-Home Handbook. Everyday Use Rutgers University Press presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author. Staying Home Is A Killer Kensington Publishing Corp. The ever-organized Air Force wife tackles a case of murder in the "satisfying, well-executed second Mom Zone cozy" from the USA Today bestselling author (Publishers Weekly). Ellie Avery balances motherhood, marriage, and her own business--Everything in Its Place--with cheerful efficiency. A maestro of organization, she sees her life as an easy checklist that does not include the untimely death of Penny Follette. Unlike the police, Ellie isn't convinced Penny's death was suicide. But it's an uphill battle getting the officials to take her seriously. Then another spouse is strangled, and someone tries to poison an outspoken female Air Force pilot. Poking about in closets and peeking through drawers, Ellie hopes to find the common thread tying the crimes together. With her husband Mitch about to be deployed in the "sandbox" (that's the Mideast for us civvies), she wants some quality time with her significant other. As the schedule tightens and the mystery heightens, Ellie's out to prove that home is not for killers! Filled with Ellie Avery's great organizing tips. Praise for the Ellie Avery Mystery series "A fun debut for an appealing young heroine." --Carolyn Hart, New York Times bestselling author "Crackles with intrigue, keeps you turning pages." --Alesia Holliday, New York Times bestselling author "Sharp writing, tight plotting, a fascinating peek into the world of military wives. Jump in!" --Cynthia Baxter, author of the Lickety Splits Mysteries "Mystery with a 'mommy lit' flavor. A fun read." --Armchair Interviews Bibliostyle How We Live at Home with Books Clarkson Potter Interior designer Nina Freudenberger, New Yorker writer Sadie Stein, and Architectural Digest photographer Shade Degges give readers a peek at the private libraries and bookshelves of passionate readers all over the world, including Larry McMurtry, Silvia Whitman of Shakespeare and Co., Gay and Nan Talese, and Emma Straub. Throughout, gorgeous photographs of rooms with rare collections, floor-to-ceiling shelves, and stacks upon stacks of books inspire readers to live better with their own collections"--Amazon.com Staying Home Ro & Read Staying Home paints a vivid picture of the feelings and experiences that can come along with staying home. This lyrical picture book encourages young readers to acknowledge the comfortable and uncomfortable moments of life lived at home, and to look forward to sharing those experiences with the great, big world beyond. Their Eyes Were Watching God Prabhat Prakashan Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work. Staying Home Instead Alternatives to the Two-paycheck Family Jossey-Bass This blueprint for change for parents who are tired of juggling home, family, and job offers alternatives to the dilemma of modern American mothers--to work or not to work--and the inevitable guilt that accompanies either choice. Davidson looks at opportunities in part-time work, at-home businesses, split time, and other practical advice. The Stay-at-Home Survival Guide Field-Tested Strategies for Staying Smart, Sane, and Connected When You're Raising Kids at Home Seal Press Melissa Stanton's The Stay-at-Home Survival Guide is an all-encompassing, truth-telling how-to book that addresses the many practical and psychological issues facing stay-at-home moms today. How do you create time for yourself? Is there really time to do it all (feed the kids, keep them busy, clean the house, balance the checkbook, and take a shower)? How do you deal with the absence of the "professional you"? An invaluable resource for mothers, The Stay-at-Home Survival Guide includes interviews with stay-at-home moms, discussions

with experts (family therapists, educators, medical specialists, career counselors), checklists to help you make the most of your time and keep you balanced, and Melissa Stanton's own experiences leaving a career as an editor for People magazine to become a stay-at-home mom herself. The Lives of Stay-at-Home Fathers Masculinity, Carework and Fatherhood in the United States Emerald Group Publishing An in-depth sociological look at stay-at-home fathers' familial experiences for a deeper understanding of this new familial role, of men's evolving masculinity and fathering identities, and the interaction of community and sense of belonging among those considered "outsiders". Stay Home-The gripping lockdown thriller about staying alert and staying alive Hachette UK LOCKED DOORS DON'T KEEP SECRETS SAFE LOCK YOUR DOORS Caitlin has been having an affair for nearly a year when the country enters lock down. Suddenly, seeing her lover, Daniel, without alerting her husband becomes almost impossible. When she does manage to sneak to his home, she finds him lying in a pool of his own blood, dead. STAY HOME Ali is a just-about-functioning alcoholic, recently let go, and feeling rather lonely. Each day she goes to her local shop to buy her permitted two bottles of wine, leaving food parcels for neighbours on her way home. While keeping an eye on what they are up to, of course. STAY SAFE Caitlin can't tell a soul about what she has discovered for risk of losing her family. Little does she know that Ali has noticed her coming and going, and that she will be drawing her own conclusions. As Caitlin delves into the life of the man who said he loved her, she finds that maybe she didn't really know him at all. But if she wants to avoid suspicion, she needs to keep digging until they find Daniel's killer. Because the doors may be locked, but everyone's secrets are starting to leak out . . . Stay Home is a timely story of dark secrets - affairs, addictions, habits and horrors - which are bought to the surface by these unprecedented times we find ourselves in. It explores the dark parts of people's lives, while at the same time leading us on a breath-takingly twisty race to find a killer. What Netgalley Readers think of Stay Home: 'An exciting thriller that is perfect for current times . . . Highly recommended!' 'A great book. It was a fast read because I couldn't put it down. So many twists and turns you will never see the end coming' 'A murder mystery set during the limitations of a pandemic lockdown is an intriguing idea and Ava Pierce has certainly delivered a book you won't want to put down. The characters, especially Ali, are well described and seem real. The story itself is very visual and would make a wonderful movie. 5 stars' 'The story is thrilling and you are kept turning the pages until the very end. The twists and turns are shocking and the characters interesting. Definitely worth a read' 'Wow, I read it in a couple of hours, lots of twists and turns' The Stay Home Superheroes Since the pandemic, children all over the world are having to stay at home. Adults all over the world are unsure how to explain something they are struggling to comprehend themselves. Written by Play and Creative Arts Therapist Sophie Marsh and illustrated by Catherine Battle, The Stay Home Superheroes empowers children to understand what is happening and the important, powerful role they can play. This beautiful book helps children to move from feeling stuck at home, worried and unsure, to feeling excited about becoming Stay Home Superheroes and saving the world! All money raised from generous donations, along with profit from sales of the book will go directly to a children's charity, supporting more Stay Home Superheroes to access the support they need. Stay Home. Stay Safe. Stay Weird (a monologue play) Stage Partners This is not your usual collection of monologues about being a teenager in a pandemic. Falling in love with the neighborhood dog walker, the awe of nature, wild family secrets, learning you can fly... Each monologue has its own surprise that'll make you look at quarantine and teenagers in a whole new way. "You know, as the world gets smaller, it gets more surprising." This collection of monologues offers flexible casting, relatable characters and the ability to bring the script to a virtual platform or socially distant performance. Comedy/Drama 30 minutes, flexible. (Monologues are 2-4 minutes each) 9 original monologues, gender-flexible casting Let's Stay Home! Home fun and play keeps the virus away Walter Foster Jr In Let's Stay Home, bright, upbeat illustrations and fun at-home activity suggestions keep your young children (and you) entertained, healthy, and connected with others while social distancing. Instead of being "stuck" at home, why not enjoy your time inside? Let's Stay Home shows you all the things you can do at home to keep happy and healthy! The fear-free language and simple mental and physical health concepts in this book can help children manage the emotions, stress, and anxiety that may come during this pandemic. A proactive, encouraging tone inspires kids to get creative, stay physically fit, and demonstrate their love for others. From family fitness classes to video-calling grandparents and everything in between, explore all the fun things you can do while staying at home! Find joy as you: Display something in your window to make your neighbors smile Make art Dance around Blow bubbles Play dress up Plant a garden Dream up other fun things you can do at home! An inspirational read for the entire family, Let's Stay Home is not only perfect for giving ideas for indoor entertainment, but also for introducing young children to key hygiene practices that promote physical wellness.

The story of the growing resistance of Mexican communities to the poverty that forces people to migrate to the United States People across Mexico are being forced into migration, and while 11 percent of that country's population lives north of the US border, the decision to migrate is rarely voluntary. Free trade agreements and economic policies that exacerbate and reinforce extreme wealth disparities make it impossible for Mexicans to make a living at home. And yet when they migrate to the United States, they must grapple with criminalization, low wages, and exploitation. In The Right to Stay Home, journalist David Bacon tells the story of the growing resistance of Mexican communities. Bacon shows how immigrant communities are fighting back--envisioning a world in which migration isn't forced by poverty or environmental destruction and people are guaranteed the "right to stay home." This richly detailed and comprehensive portrait of immigration reveals how the interconnected web of labor, migration, and the global economy unites farmers, migrant workers, and union organizers across borders. In addition to incisive reporting, eleven narratives are included, giving readers the chance to hear the voices of activists themselves as they reflect on their experiences, analyze the complexities of their realities, and affirm their vision for a better world.

An illustrated guide to the dismal reality of space travel with drawings of creepy aliens and exotic spaceships especially created by Don Moyer--Mr. Calamityware.

Forging a fast but unusual friendship with Will the worm, Mac, a young apple, is bullied by other apples who say that apples and worms are not supposed to like each other, a situation that compels Mac to stand up for himself.

Is your "home number" your "work number" too? If you are a stay-at-home parent, you know the workday never really ends. And every day brings both all-too-familiar challenges and unexpected joys. Are you a stay-at-home mom who loves at-home motherhood, yet sometimes feels stressed, overwhelmed, and lonely? Do you know that your toddler's leftover fruit snacks plus a giant mug of coffee is not a nutritious lunch, but you're too tired and busy to eat better? Is your last kid-free outing a distant memory? If so, this book is for you. When psychologist Shannon Hyland-Tassava transitioned from full-time working professional to full-time stay-at-home mom, she discovered that the path was far rockier than portrayed in parenting magazines and diaper commercials. Along with the joy of new motherhood came numerous obstacles to good emotional and physical health. In *The Essential Stay-at-Home Mom Manual: How to Have a Wondrous Life Amidst Kids and Chaos*, Hyland-Tassava applies her expertise as a clinical psychologist to mothers' challenges, combining expert advice with relatable anecdotes, amusing blog excerpts, and wisdom from her own experiences. The result is an indispensable guide that includes both clinical self-help solutions for better emotional and physical health and practical strategies for making at-home motherhood easier and more fun

From Boardroom to Baby provides emotional encouragement and practical guidance for career women who are opting out of the workforce to stay home with their children. A recent Gallup poll concluded that stay-at-home moms were significantly less likely than working moms to consider their lives "thriving" and experienced higher rates of depression. Even so, millions of mothers are choosing to put their careers on hold and stay home with their children. *From Boardroom to Baby* shatters the stereotypes associated with "staying home" and empowers new moms to blaze their own unique paths through motherhood and beyond. Along with a thoughtful map and modern-day tools to help moms carve out meaning and purpose in their new roles, *From Boardroom to Baby* offers: Heartfelt stories of the author's own journey from a Fortune 500 company to life on the home front. Mindful exercises that prompt soul searching and self-discovery. Expert advice from a mental health counselor. Meaningful affirmations that promote grace and strength throughout motherhood.

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Includes an excerpt from *Love on the Brain*.

The author shares the techniques and secrets she used to help her husband make more money. Providing information on how a wife can help her husband boost his income, this is the guide book for those women dreaming of being a stay-at-home mom.

What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coron-

avirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to: <https://www.nhscharitiestogether.co.uk/>

A young boy stuck at home harnesses the super power of kindness to bring happiness to the family around him. Inspired by the 2020 Coronavirus pandemic, this short and silly rhyming story is the perfect inspiration for young heroes to make the best of our modern times around the house.--Previously released as a digital download, *Even Superheroes Stay Home* has been read by thousands of parents, children, and educators in 20+ countries. It has been featured on television and in the news across the United States. Jamie McGaw is a father, husband, creative director, and apparently an author, too. This is his first children's book."I wrote + illustrated this book for my son. I wanted to inspire him to be the helpful superhero our house needs these days."

Written during the 2020 pandemic, *A Day to Stay Home* reminds us of the simple joy of using our imaginations. Join this little girl and her family and discover the adventure of staying home together. A powerful look at the importance of a mother's presence in the first years of life **Featured in *The Wall Street Journal*, and seen on *Good Morning America*, *Fox & Friends*, and *CBS New York*** In this important and empowering book, veteran psychoanalyst Erica Komisar explains why a mother's emotional and physical presence in her child's life--especially during the first three years--gives the child a greater chance of growing up emotionally healthy, happy, secure, and resilient. In other words, when it comes to connecting with your baby or toddler, more is more. Compassionate and balanced, and focusing on the emotional health of children and moms alike, this book shows parents how to give their little ones the best chance for developing into healthy and loving adults. Based on more than two decades of clinical work, established psychoanalytic theory, and the most cutting-edge neurobiological research on caregiving, attachment, and brain development, *Being There* explains: • How to establish emotional connection with a newborn or young child--regardless of whether you're able to work part-time or stay home • How to ease transitions to minimize stress for your baby or toddler • How to select and train quality childcare • What's true and false about widely held beliefs like "I'm not good with babies" and "I'll make up for it when he's older" • How to recognize and combat feelings of postpartum depression or boredom • Why three months of maternity leave is not long enough--and how parents can take control of their choices to provide for their family's emotional needs in the first three years *Being a new mom isn't easy*. But with support, emotional awareness, and coping skills, it can be the most magical--and essential--work we'll ever do.

Details evidence which reveals the importance of maintaining continuity of nurturing care for infants and toddlers and discusses the value of a parental presence in a child's early years

"Interior designer Nina Freudenberger, New Yorker writer Sadie Stein, and *Architectural Digest* photographer Shade Degges give readers a peek at the private libraries and bookshelves of passionate readers all over the world, including Larry McMurtry, Silvia Whitman of Shakespeare and Co., Gay and Nan Talese, and Emma Straub. Throughout, gorgeous photographs of rooms with rare collections, floor-to-ceiling shelves, and stacks upon stacks of books inspire readers to live better with their own collections"--Amazon.com

You Can Stay Home with Your Kids!100 Tips, Tricks, and Ways to Make It Work on a BudgetZonder-van

Kids and grown-ups have lots of fears, but for many of us, the "unknown" edges out pretty much everything else. When something huge (ahem, a pandemic) happens in a child's life, everything they know is thrown into chaos. Kids (like the rest of us) handle change best if they know what to expect, both on a day-to-day basis and long-term. *Time to Stay Home . . . What's Next?* helps kids understand that while some things have changed, many things have not - and that their routine will help them feel safe. Join Stinkerpants and her stuffed giraffe Stuart as they explain a kid's day-to-day life and what to do when feelings get BIG. Using an illustrated calendar to explain how staying home affects a child's daily routine, *Time to Stay Home . . . What's Next?* focuses on the child's experience and removes unknowns from the equation. "Most of the time we do the same things in the mornings. We wake up. We eat breakfast. (I like apples. Stuart only eats bugs.) . . . During the day when we are awake, we do different things. Some days we go to the playground, and some days we don't! Some days we have play dates, and some days we don't!But every night, we sleep, and every morning, we wake up. " By creating a routine that kids can see and understand, parents can restore a sense of safety and predictability in their kids' lives, helping them to be more resilient in the face of life's inevitable challenges. *Time to Stay Home . . . What's Next?* is the perfect book for families that want to empower kids with knowledge, which is proven to help kids through traumatic situations. Aimed at families with kids from toddlers to kindergarten, this method of teaching is based on decades of solid science about how kids learn and cope with the major day-to-day changes that result from life's toughest stuff.

A warm, inspiring, and practical handbook for at-home moms, by a television celebrity and mother of five. National television personality and mother of five Rachel Campos-Duffy presents a new way of looking at stay at-home motherhood that will transform the way readers view their days, their family, and their home. With practical advice and candid, engaging stories from her own life and other moms who are making it all work, mothers will learn about: ? Embracing the choice to stay home with joy and confidence ? Taking care of yourself, guilt-free ? How rekindling your relationship with your husband benefits the whole family ? Reveling in the chance to explore new passions and creative outlets ? And the 10 things that no mom can live without!

Melissa Stanton's *The Stay-at-Home Survival Guide* is an all-encompassing, truth-telling how-to book that addresses the many practical and psychological issues facing stay-at-home moms today. How do you create time for yourself? Is there really time to do it all (feed the kids, keep them busy, clean the house, balance the checkbook, and take a shower)? How do you deal with the absence of the "professional you"? An invaluable resource for mothers, *The Stay-at-Home Survival Guide* includes interviews with stay-at-home moms, discussions with experts (family therapists, educators, medical specialists, career counselors), checklists to help you make the most of your time and keep you balanced, and Melissa Stanton's own experiences leaving a career as an editor for *People* magazine to become a stay-at-home mom herself.

This is not your usual collection of monologues about being a teenager in a pandemic. Falling in love with the neighborhood dog walker, the awe of nature, wild family secrets, learning you can fly...

Each monologue has its own surprise that'll make you look at quarantine and teenagers in a whole new way. "You know, as the world gets smaller, it gets more surprising." Comedy/Drama 30 minutes, flexible. (Monologues are 2-4 minutes each) 9 original monologues, gender-flexible casting

Cheryl Gochnauer tells what being a stay-at-home mom is like from the perspective of one who is doing it, and she offers practical tips on how you can transition to a life at home.

The ever-organized Air Force wife tackles a case of murder in the "satisfying, well-executed second Mom Zone cozy" from the USA Today bestselling author (Publishers Weekly). Ellie Avery balances motherhood, marriage, and her own business—Everything in Its Place—with cheerful efficiency. A maestro of organization, she sees her life as an easy checklist that does not include the untimely death of Penny Follette. Unlike the police, Ellie isn't convinced Penny's death was suicide. But it's an uphill battle getting the officials to take her seriously. Then another spouse is strangled, and someone tries to poison an outspoken female Air Force pilot. Poking about in closets and peeking through drawers, Ellie hopes to find the common thread tying the crimes together. With her husband Mitch about to be deployed in the "sandbox" (that's the Mideast for us civvies), she wants some quality time with her significant other. As the schedule tightens and the mystery heightens, Ellie's out to prove that home is not for killers! Filled with Ellie Avery's great organizing tips Praise for the Ellie Avery Mystery series "A fun debut for an appealing young heroine." —Carolyn Hart, New York Times bestselling author "Crackles with intrigue, keeps you turning pages." —Alesia Holliday, New York Times bestselling author "Sharp writing, tight plotting, a fascinating peek into the world of military wives. Jump in!" —Cynthia Baxter, author of the Lickety Splits Mysteries "Mystery with a 'mommy lit' flavor. A fun read." —Armchair Interviews

Torn between love and karma. What is he doing here Sivadasini thought when she met John Wayne at the Happiness Yogalya. Then she didn't have the least idea that she would have to travel unknown paths because of him. John felt that, "this Indian beauty is my girl!" but Sivadasini ignored her own feelings for him. "I have enough troubles already in my life," she thought as she could not think of resisting her orthodox mother. Invisible strings of love were woven between them. Still Sivadasini could not get over her insecurities which threw them both worlds apart in the same city. Was their

lives going to go on like that- with their love withering- or would some spiritual power intervene and help them find happiness?

This blueprint for change for parents who are tired of juggling home, family, and job offers alternatives to the dilemma of modern American mothers--to work or not to work--and the inevitable guilt that accompanies either choice. Davidson looks at opportunities in part-time work, at-home businesses, split time, and other practical advice.

Motherhood doesn't have to mean losing yourself . . . Most moms are grateful they make the choice to be a stay-at-home mom (SAHM), but after a couple of years, they may feel like they're losing their mind. The alternative is going back to work, but that doesn't seem right either. Flex mom is for mothers who want a third model of motherhood, somewhere between stay-at-home mom and working mom. This third way is to be the primary caregiver for their children while deliberately creating a path that fuels their passions - leaving them fulfilled and confident. Described as a melting pot of positive psychology and coaching, with the humor and honesty of Anne Lamott's *Bird by Bird*, *Flex Mom* helps moms make the fleeting childrearing years their best yet.
